

# Wat is de som?

Lees het verhaal en bedenk de som die erbij  
hoort.

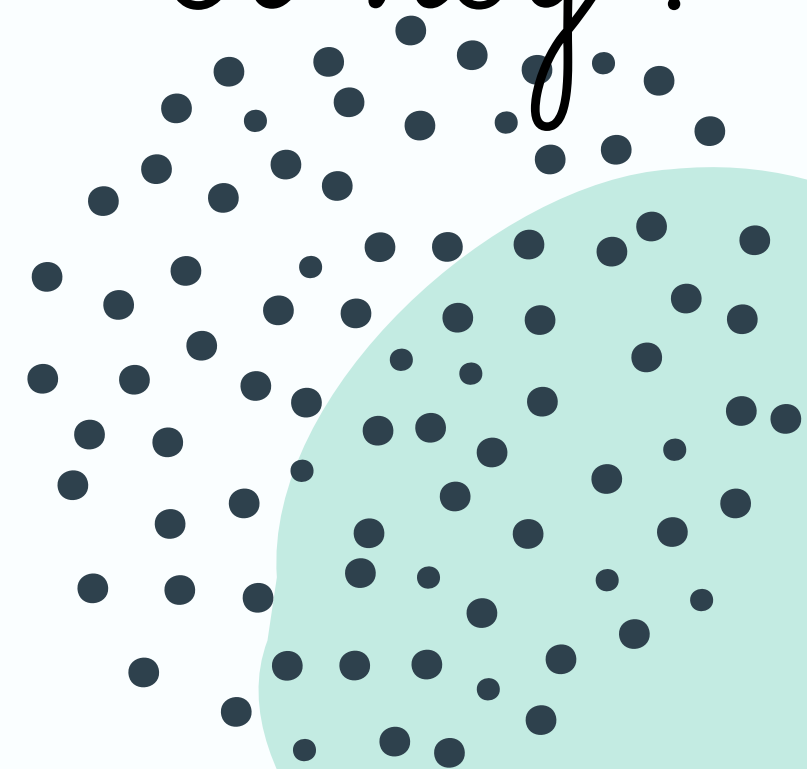

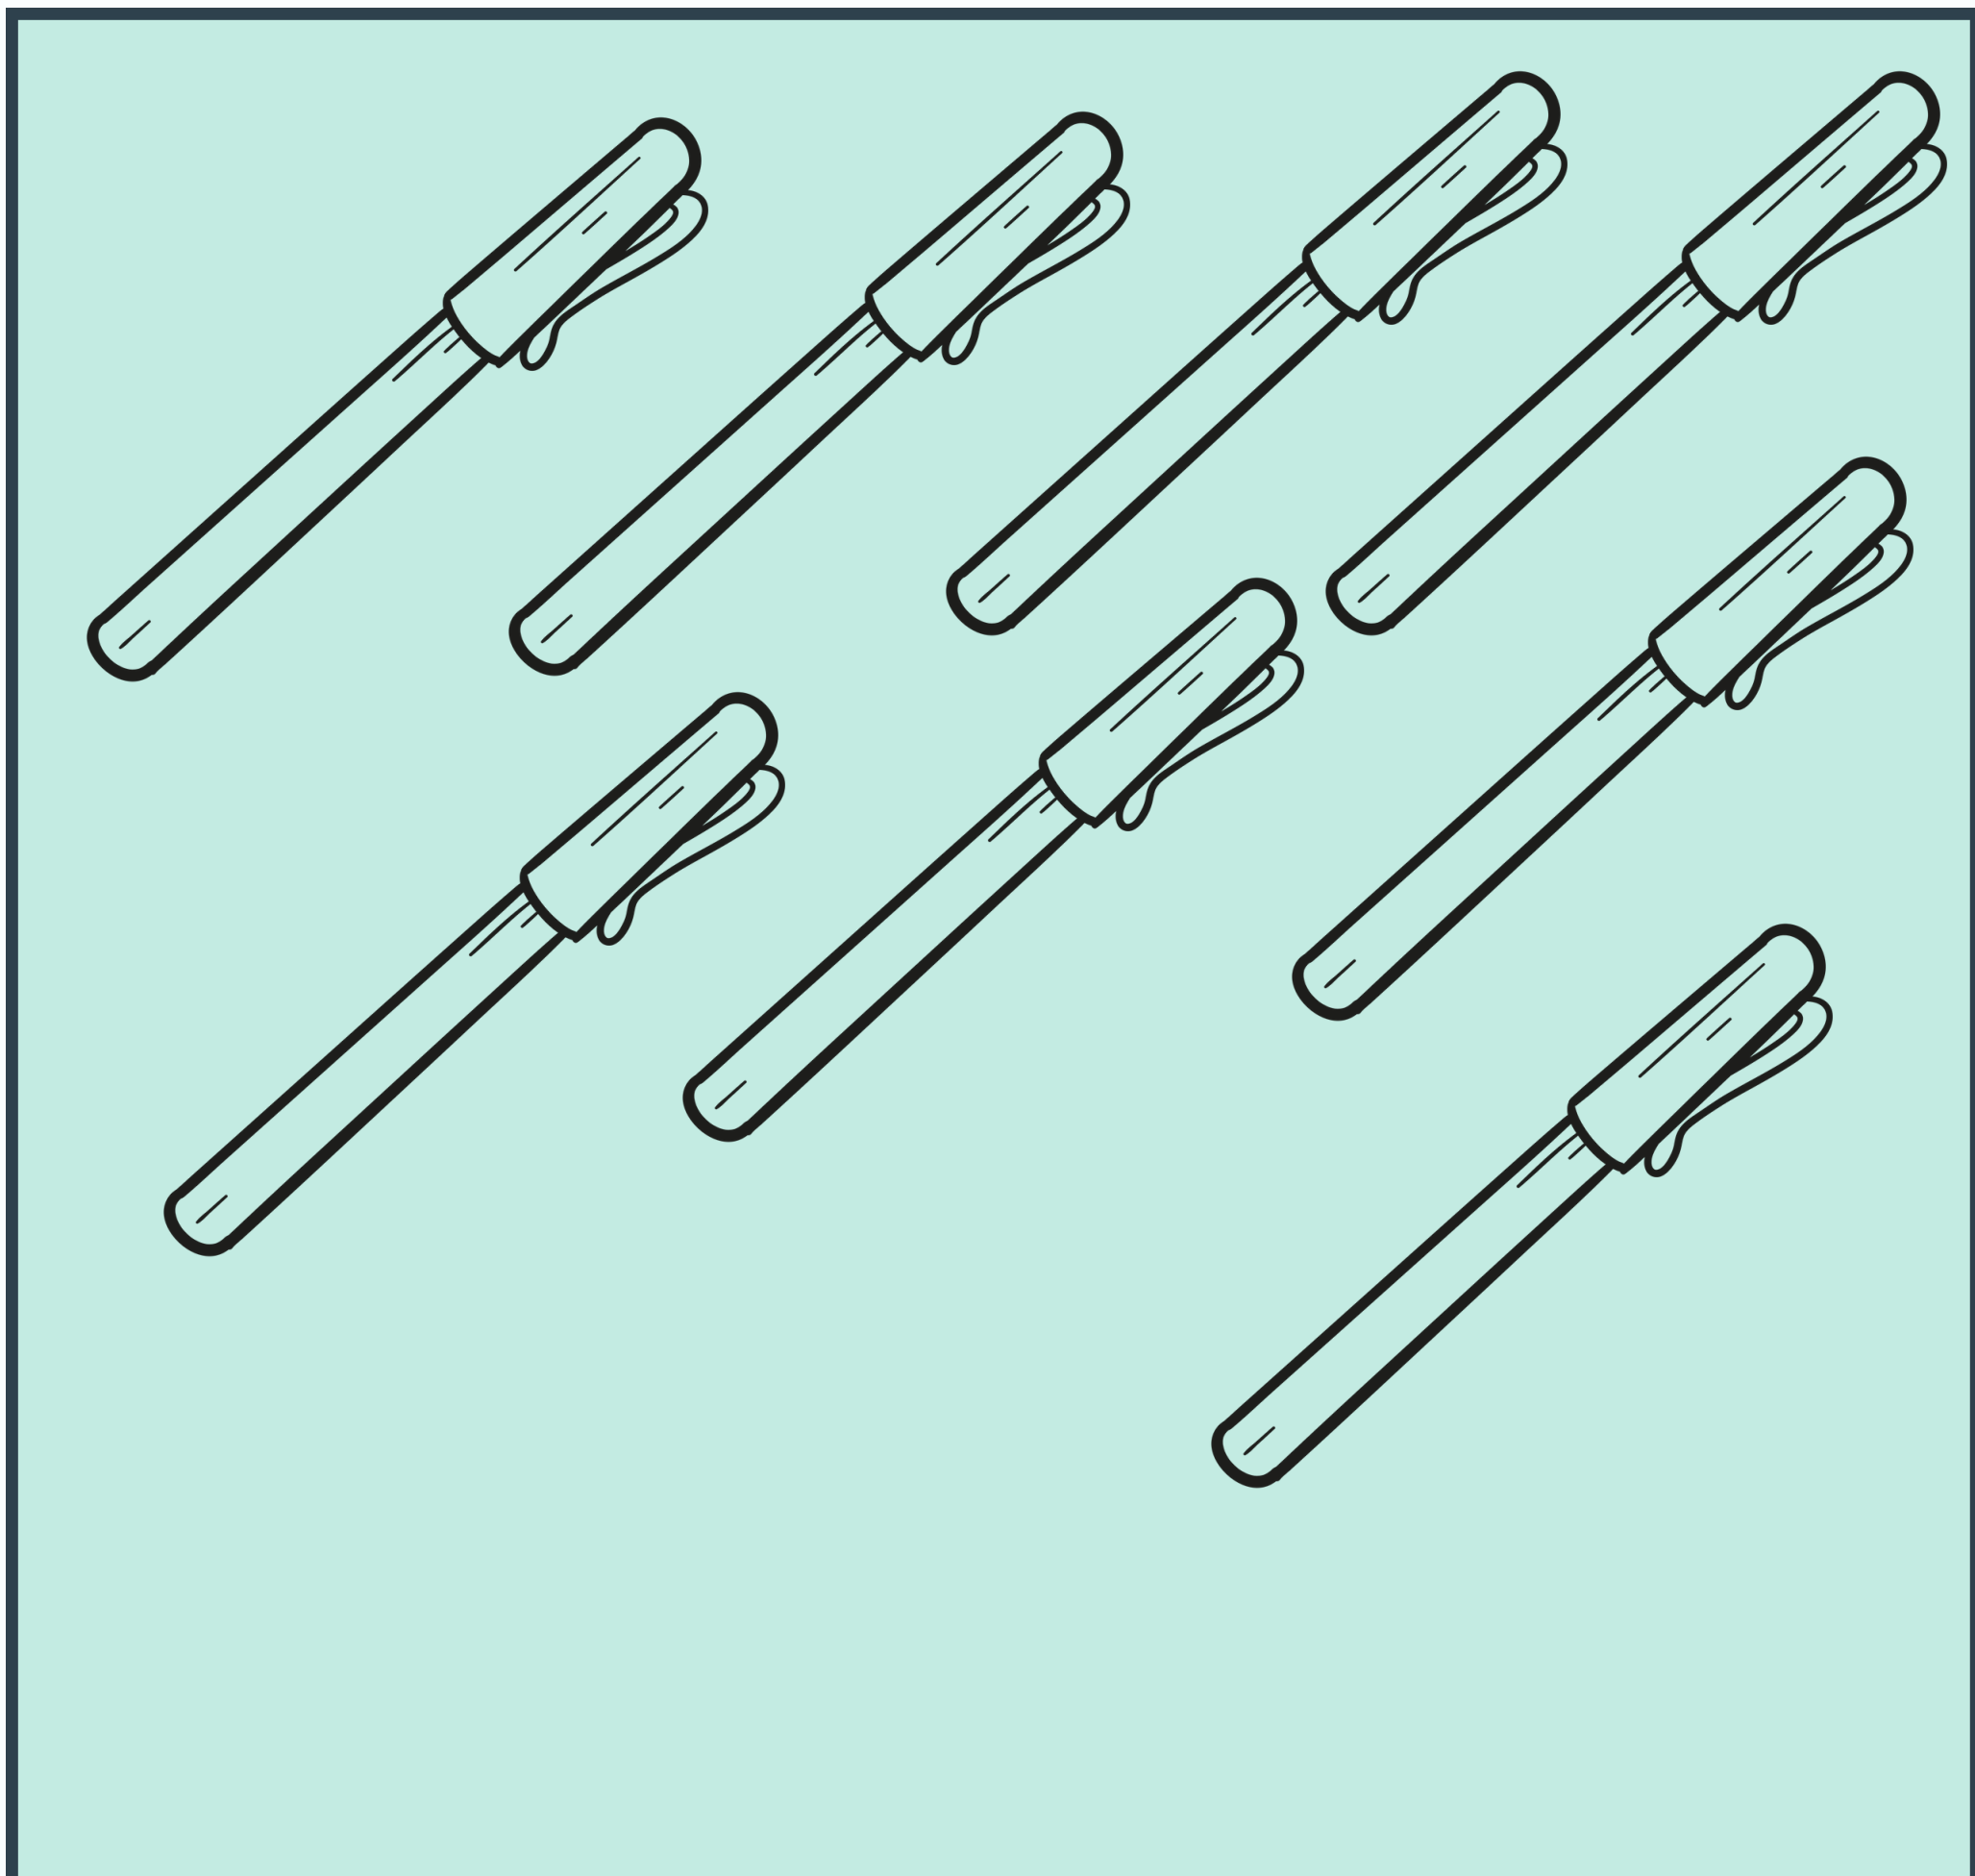

Er liggen  
5 appels in de  
fruitmand.  
Ik eet er eentje op.

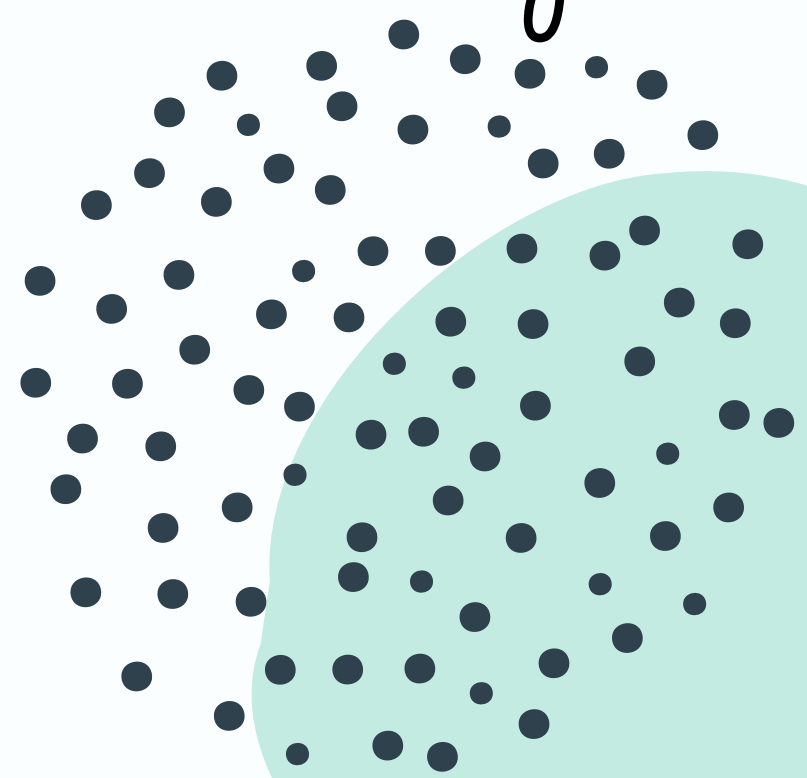

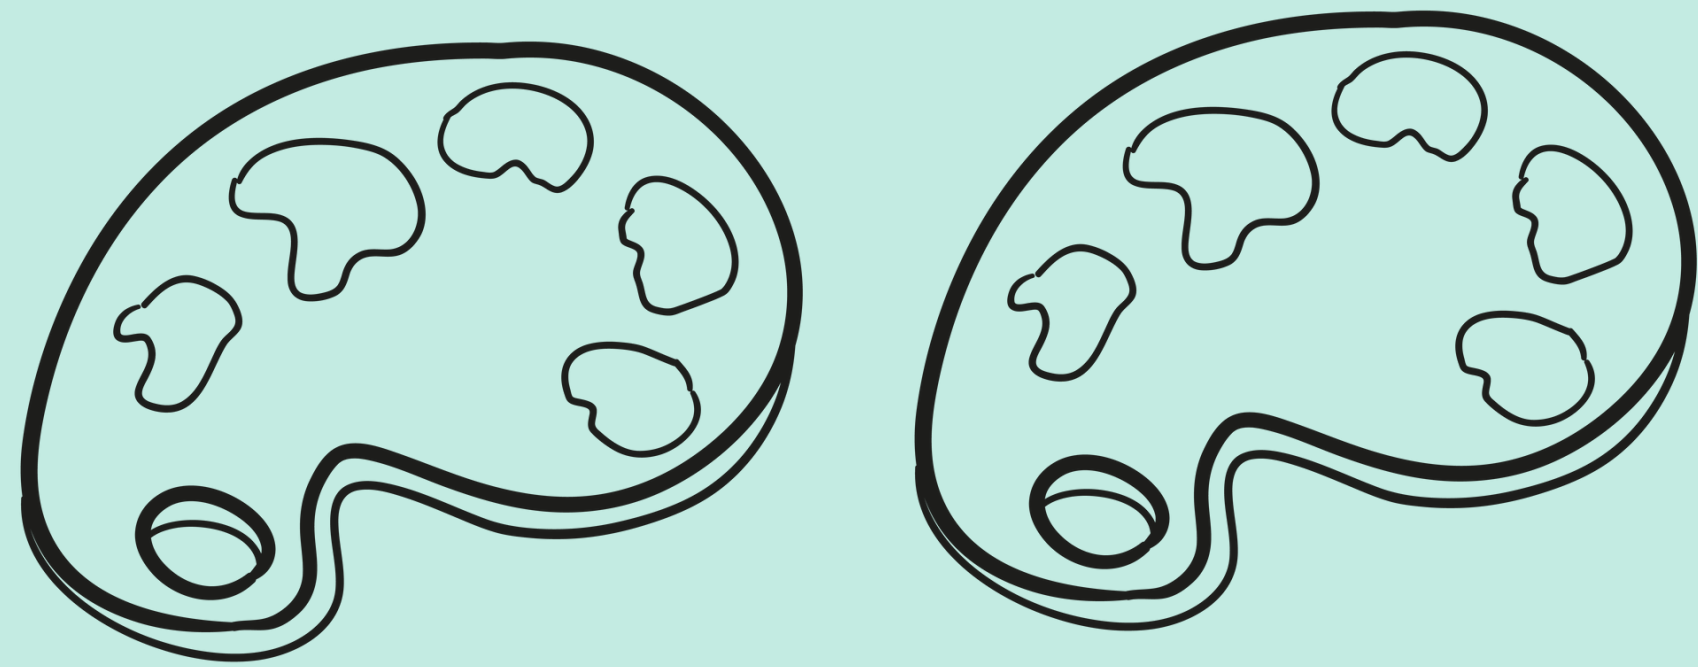

Er branden 4  
lichten in de  
kamer. Ik doe 1  
lamp uit.  
Hoeveel branden  
er nog?

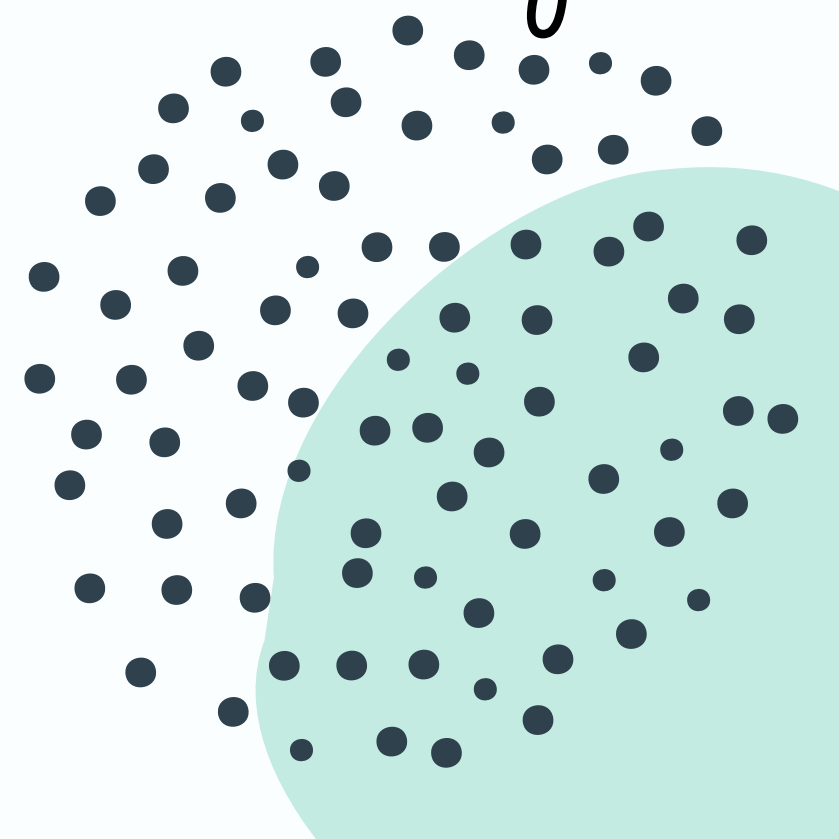

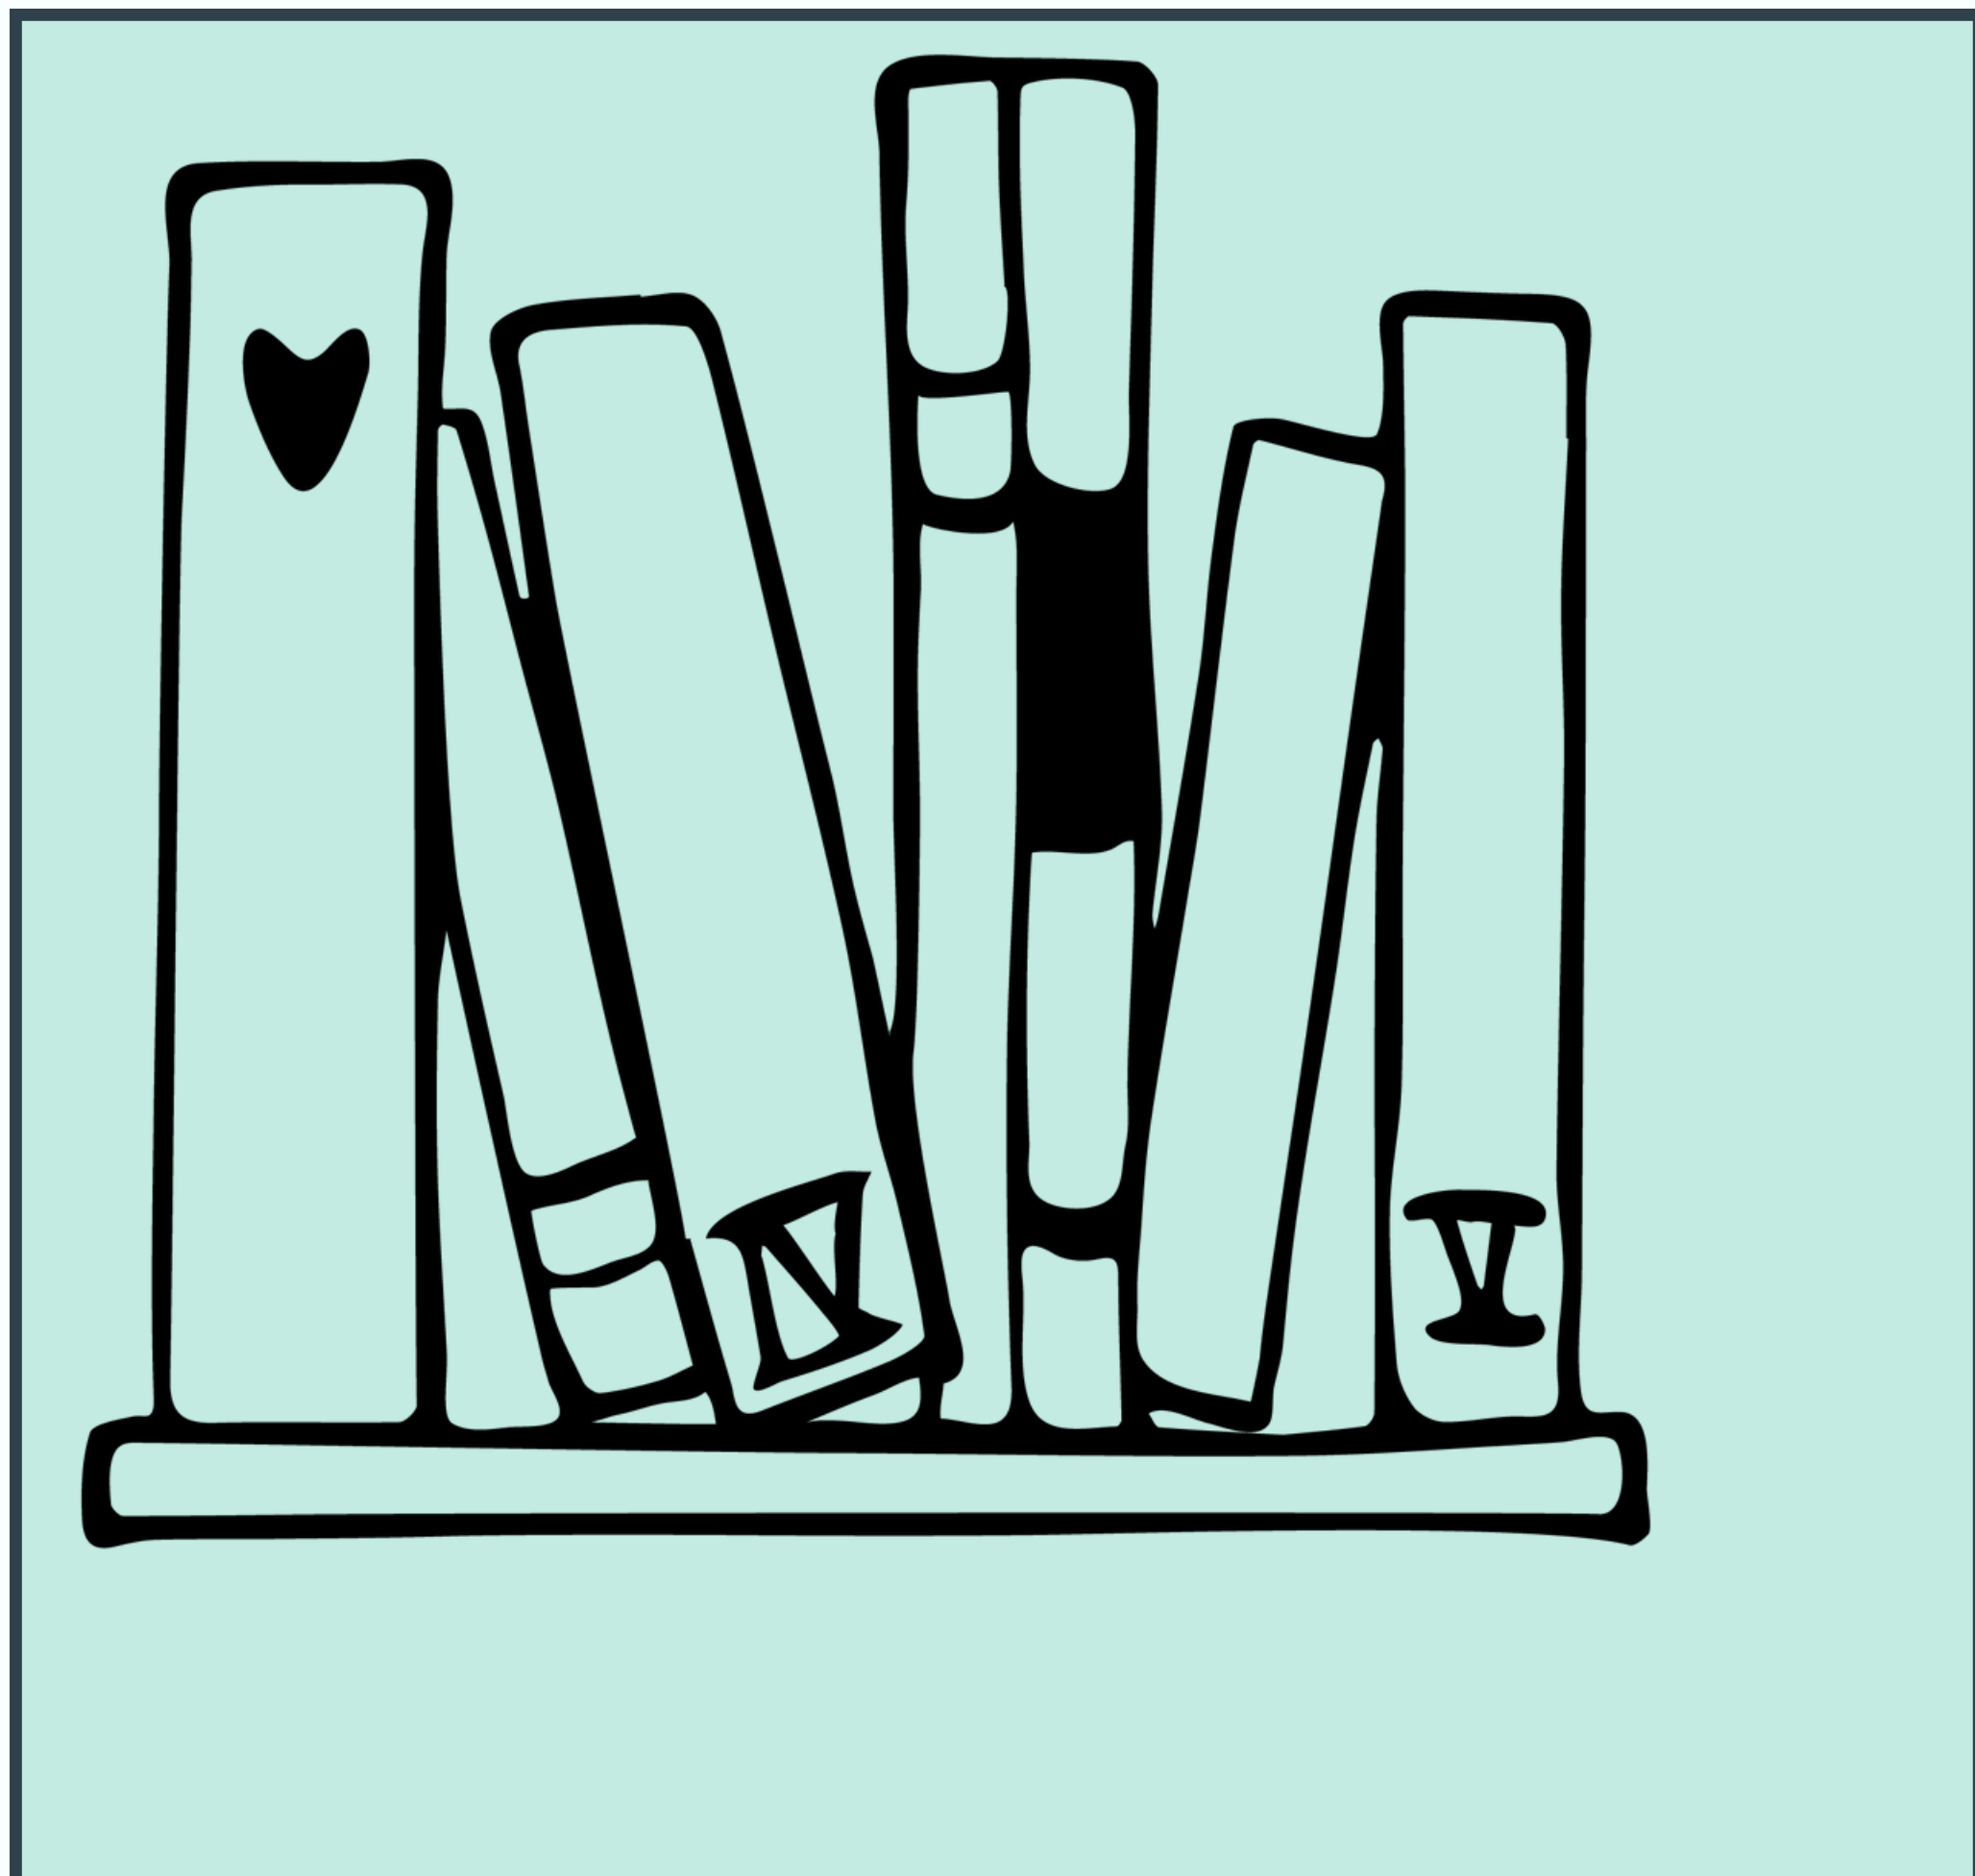

Ik heb 8 penner.  
Ik geef mijn  
vriendje er 3.  
Hoeveel heb ik er  
nu nog?

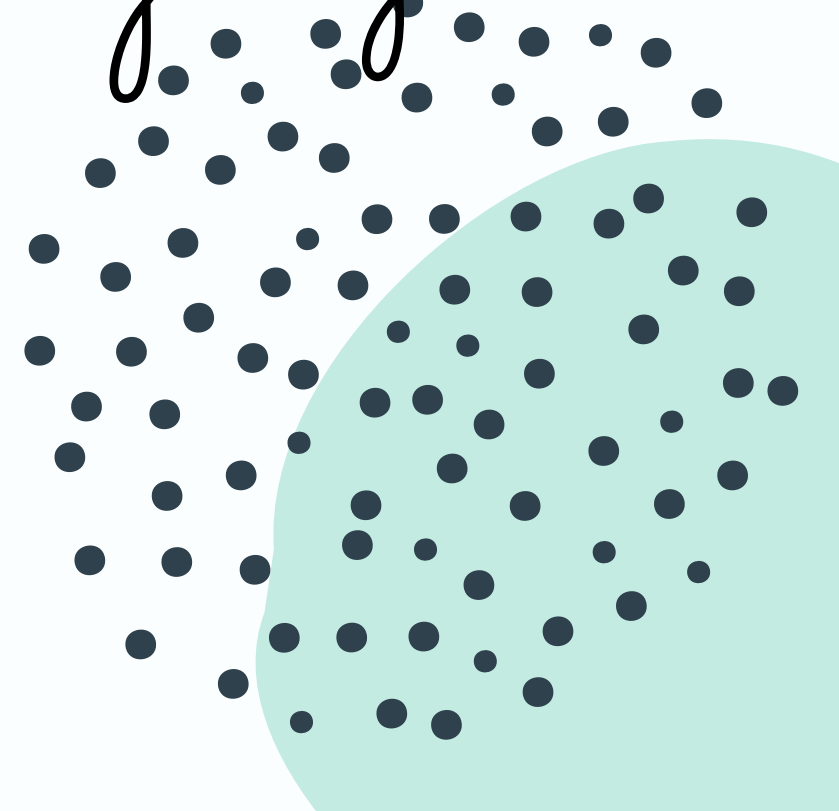

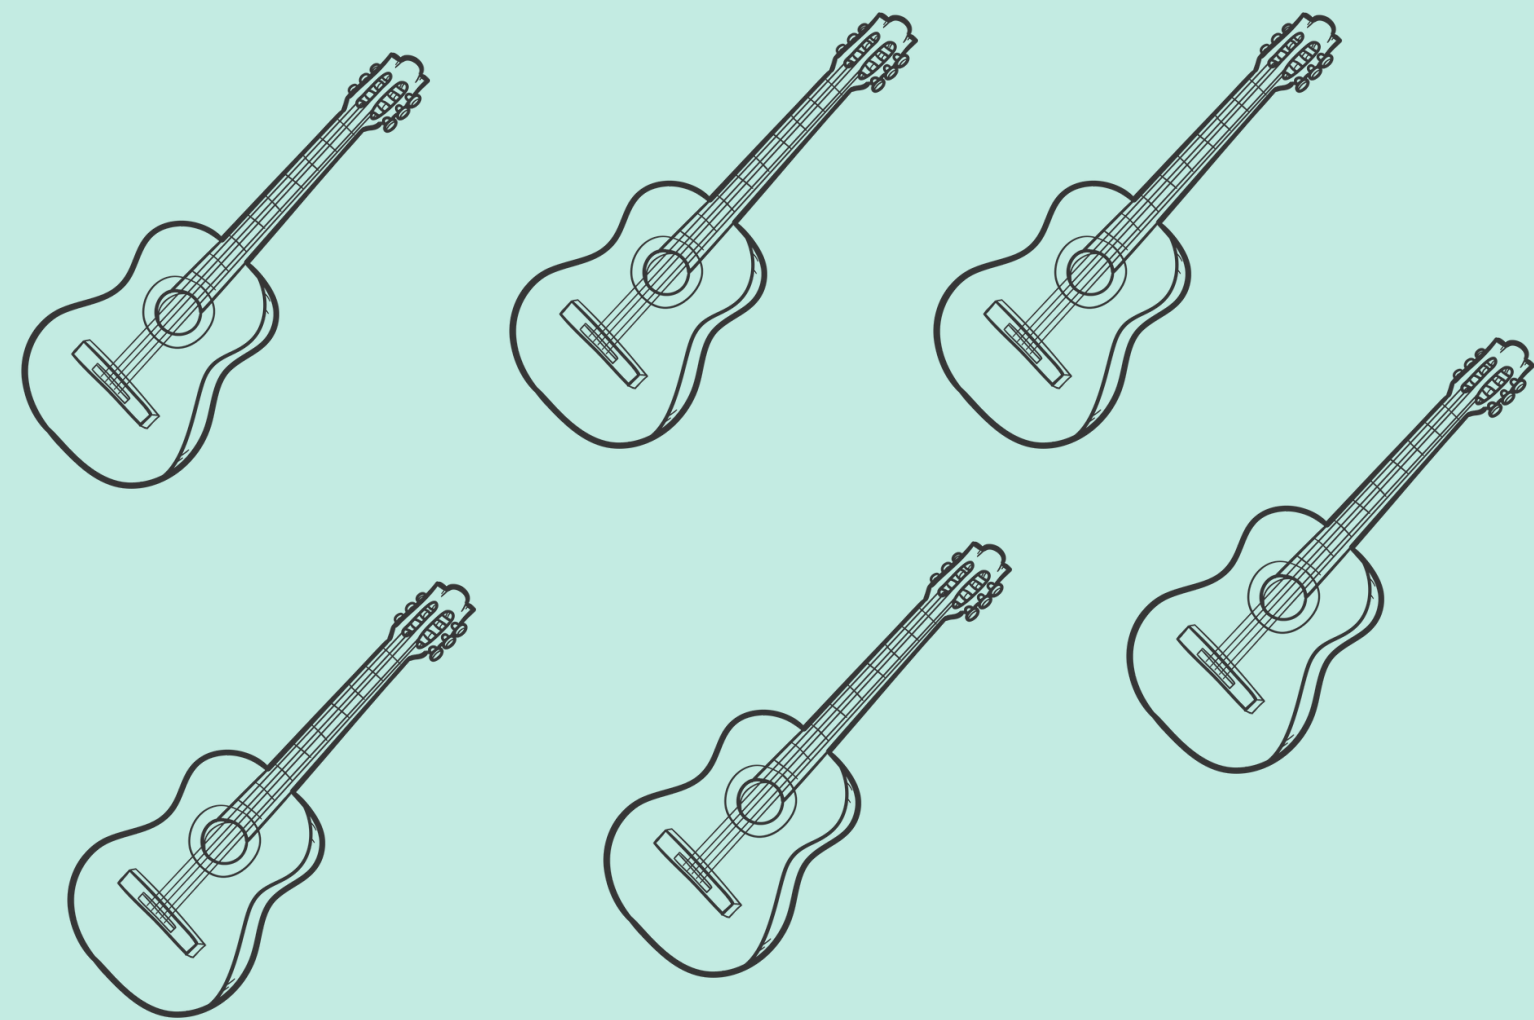

Ik heb 10  
verfkleuren. 2  
er van zijn op.  
Hoeveel kleuren  
heb ik nu nog?

Er staan 7  
boeken op de  
plank. Twee heb  
ik al gelezen.  
Hoeveel moet ik  
er nog lezen?

Er staan 6  
gitaren in het  
muzieklokaal.  
Eentje is kapot.

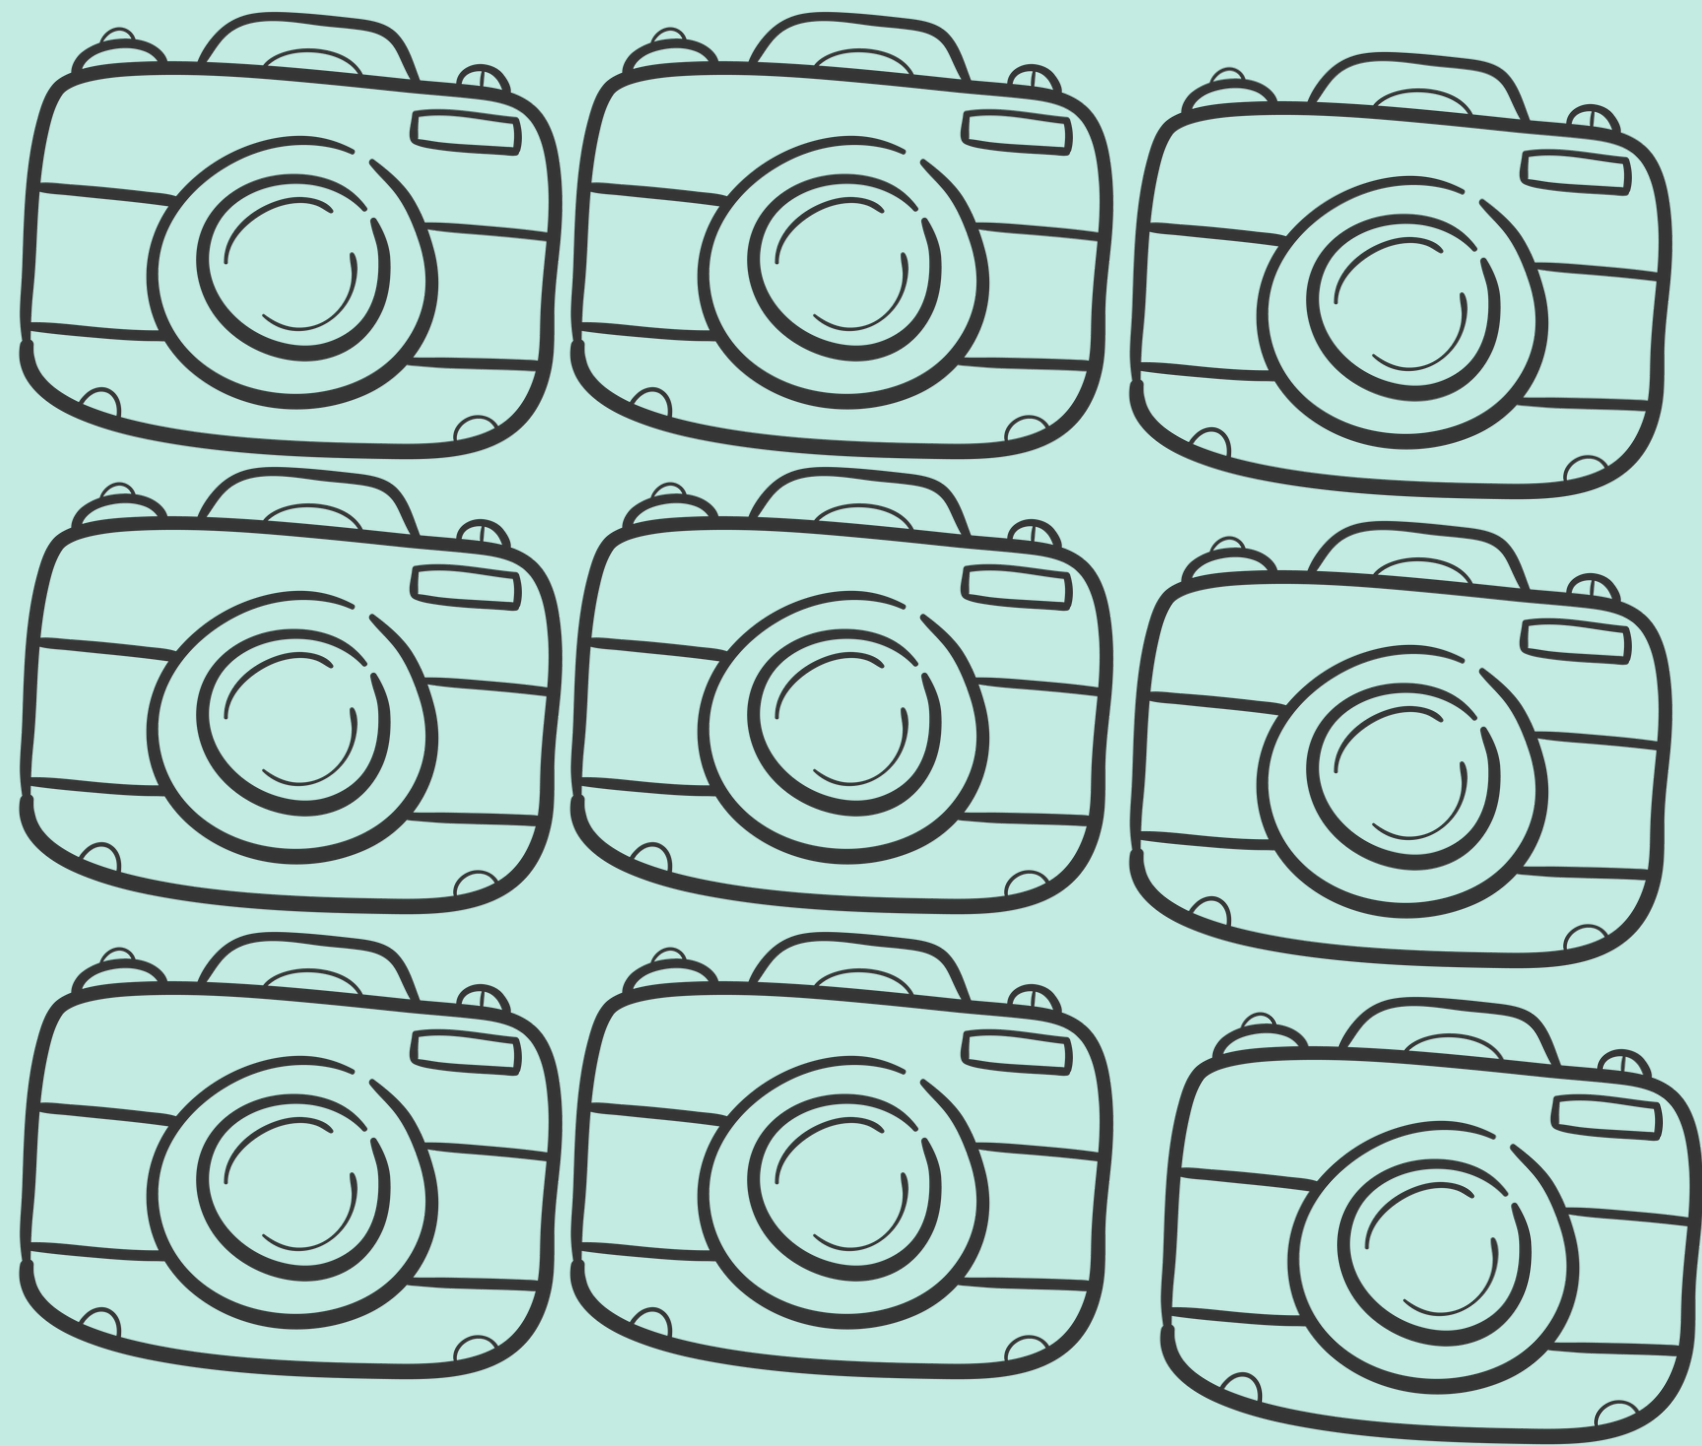

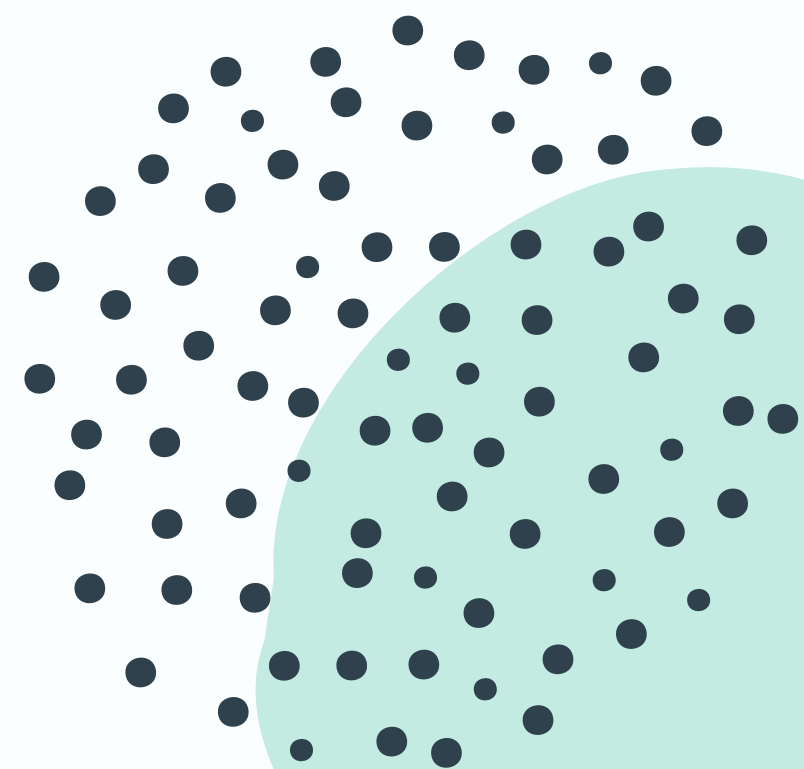

Er staan 7 kopjes  
koffie klaar voor de  
visite. 2 ervan zijn  
met suiker. Hoeveel  
zijn zonder suiker?

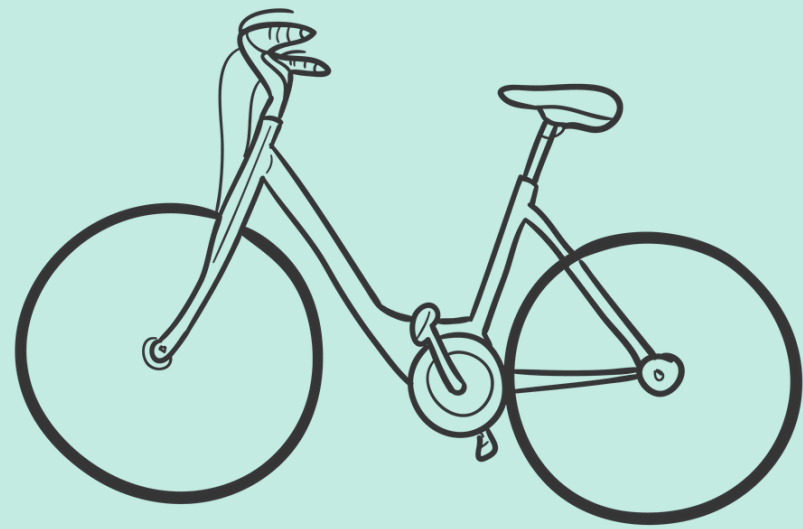

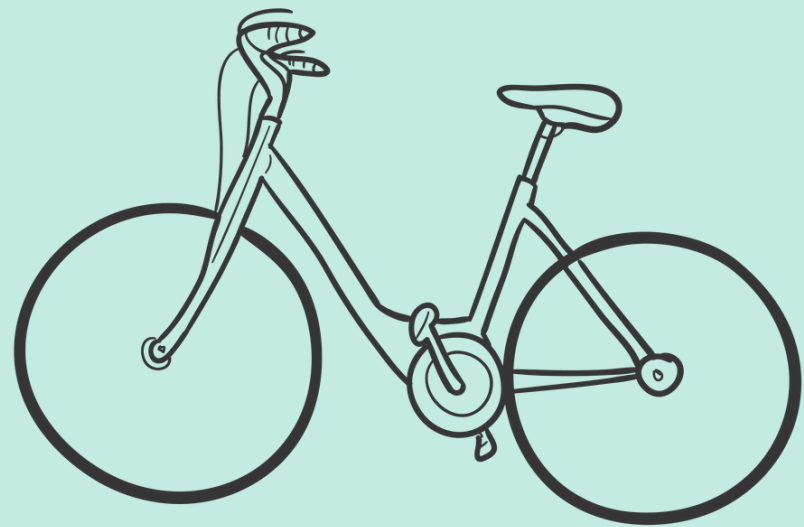

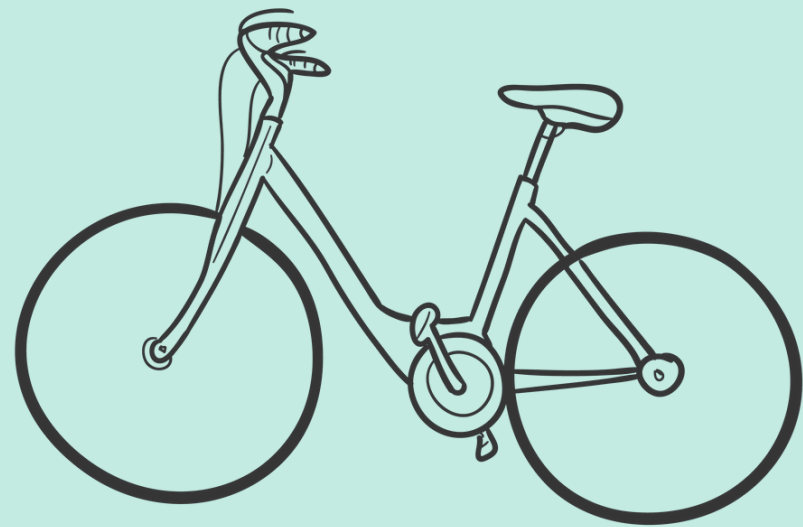

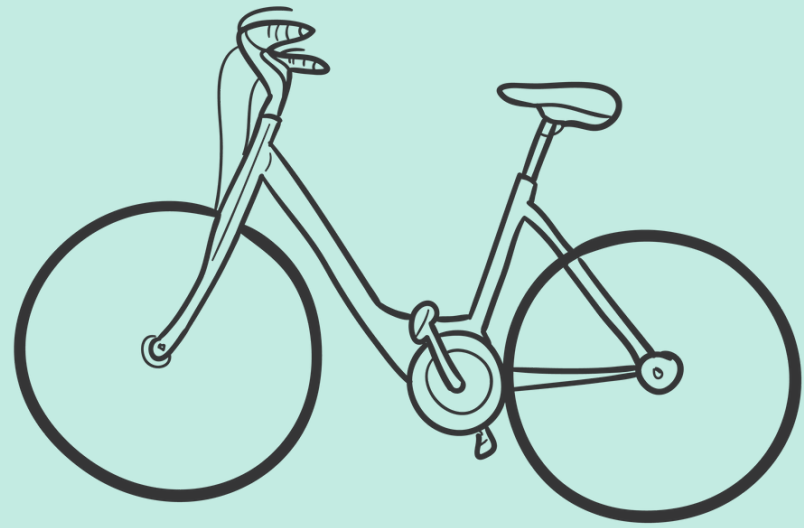

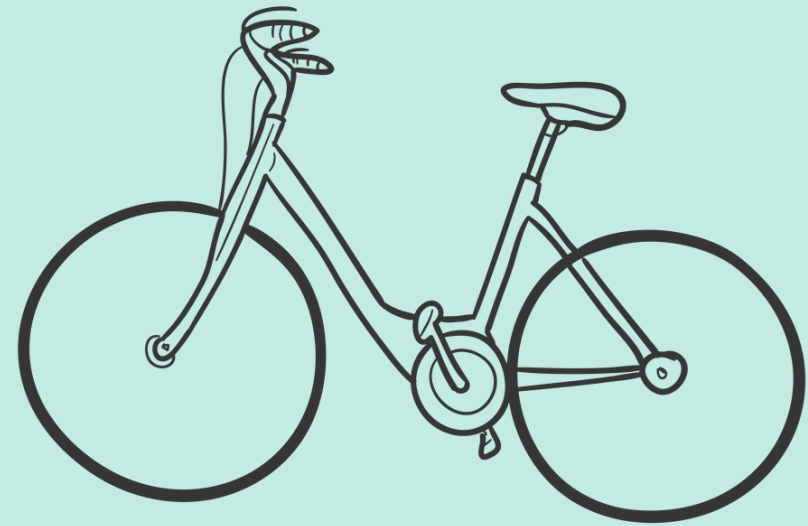

Ik heb 9 selfies  
gemaakt. Twee  
ervan zijn mislukt.  
Hoeveel goede foto's  
heb ik nog?

5 Kinderen gaat  
altijd met de fiets  
naar school. Nu  
gaan er twee  
kinderen lopend.  
Hoeveel gaan er nu  
op de fiets?
